~~Rahman's Chambers, Barristers and Advocates in Bangladesh~~

Dear Madams and Sirs,

This letter is to confirm the following: During 2012 – 2014, our firm has closely cooperated with Mr Mohammed Forrukh Rahman of Rahman's Chambers in Dhaka/Bangladesh. We represented a substantial German shipowner, who had ordered four newbuildings at a shipyard in Bangladesh. Unfortunately, all these four shipbuilding contracts failed and were ultimately cancelled by our clients, which gave rise to very complex legal proceedings in Germany, England and Bangladesh. Mr Mohammed Forrukh Rahman handled various proceedings in Bangladesh for our client against the local shipyard and its financing banks. He did so in a most effective, successful and cost-effective manner. We can therefore highly recommend the legal services of Mr. Mohammed Forrukh Rahman to any party, which needs legal support in Bangladesh in matters relating to international trade, financing and transport.

Yours sincerely,

Dr. Klaus Kostka
