

# Corporate Department

Rahman's Chambers is one of the leading law firms in the Corporate area. The Firm for nearly a decade has been successfully handling claims for both local and foreign clients. The lawyers in our Corporate department, comprising both experienced senior and junior members, knows the urgency and procedures of dealing with such related matters, covering different areas of practice, such as:

## Intellectual Property Matters

The cultural, industrial, and economical development of the country depends on the progress of intellectual Property. Intellectual property is the things that are created by the human thought; it is the result of intellectual activities. Simply it refers copyright, trademark, patent design, trade secrets and geographical indications etc. Very broadly, it means the legal rights, which result from intellectual activity in the industrial, scientific, etc.

## Labour, Service Tribunals & Related Matters

Labour and employment legal issues are very common in the business sector of Bangladesh. Whether it is small enterprise or giant MNC, dealing with employment law is a regular affair for them. Legal assistant is often required for drafting appointment letter, service contract, termination letter, commencing disciplinary proceeding and so on. On the other hand, established companies often requires legal help for preparing entire HR policy in complains with labour and employment laws of Bangladesh.

## M & A, Take Over, Corporate matters and Litigation

Merger, Amalgamation, take over, winding up and general corporate affairs are our core practice areas from very inception. We are working for one major group of companies as their retainer from very inception for nearly 10 years and taking care of their almost all corporate affairs. We have wide range of expertise ranging from drafting resolution and filing annual return to dealing with highly contentious minority protection litigation before Honorable Company bench.

## Real Estate and Property Matters

Real estate and Property related legal issues can be divided into (a) freehold land and buildings matters, (b) leasehold land and building matters and (c) real estate development matters. Freehold matters often requires legal supports in acquisition, Sale, gift, will, trust, mutation, survey, registration, searching etc. and also rarely on issues like determination of khas land, vested land etc.
